Our Camp

We are designed to channel the curious and creative forces of work in our youngest learners. The programs utilize:

- Hands on Activities
- Crafts and Games
- Outdoor Exploration
- Music and Movement
- Water Play

Special Events:

- Petting Zoo
- Visit from the Aquarium
- Magic Show
- Lizard Guys
- Puppet Show
- Robotics
- Amazing Athletes

We encourage children to participate in their surroundings as they discover the magic and wonders of our world.

Every Week At Camp is a Magical Journey

June 26th - August 18th, 2022

Zoo Animals

Discover and Build habitats. Learn who lives where and why. Enjoy a Petting Zoo visit!

Earth's Treasures

Learn about the deep blue sea that makes up 70% of our world. Discover various rocks and minerals. Do some gardening to beautify our Earth!

World of Reptiles and Critters

Discover what reptiles and critters are, how they defend themselves and see & touch them.

Build and Move

Learn about construction and transportation. Make a raceway to move cars along. Build a construction site on our own playground!

All the activities and events are subject to Covid-19 guidelines.
