

.Dear Parent/Legal Guardian:

As you are aware, the novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. Unitarian Montessori School is doing everything we can to be compliant with all regulations and ensure the safety of your child(ren). We have put in place preventative measures to reduce the spread of COVID-19, but of course we cannot guarantee that you or family members will not become infected with COVID-19.

By allowing your child to return to school, your child's attendance will require him/her to physically interact with the School's staff members and other students. While Unitarian Montessori School hopes that everyone remains safe and healthy during this trying time, we also want to remain both honest and transparent with our parents about the very real risks posed by COVID-19 both inside and outside of our school.

By participating in the programs, services, and activities of Unitarian Montessori School, you agree to the following:

On behalf of yourself and your child(ren), you hereby release, covenant not to sue, discharge, and hold harmless Unitarian Montessori School, its employees, agents, and representatives, of and from all liabilities, claims, actions, damages, costs or expenses of any kind arising out of or relating to your participation in our programs, services or activities. You understand and agree that this release includes any claims based on the actions, omissions, or negligence of this organization, its employees, agents, and representatives, whether a COVID-19 infection occurs before, during, or after participation in any hosted or programmed event by this organization.
